

Thursday 12<sup>th</sup> June 2025

Dear Parent/carers,

## Year 5 Swimming 23/6/25 – 27/6/25

This year we are once again taking advantage of our close ties with West Leigh Junior School to provide a week-long intensive swimming course. Year 5 will be taken by coach to West Leigh each day after they have eaten their lunch as normal in school.

The timing of the swim lessons and the time it will take to return to school does mean that on Tuesday, Wednesday and Thursday of this week the children will be returned to school after the usual end time at 3:30. We will endeavour to return them to school by 4:00pm but this is dependant on the traffic that is encountered on the return journey.

As in the past there will be no charge for these lessons as they are part of the National Curriculum for P.E.

West Leigh Swim School insist that all pupils wear swimming hats and have a strict no goggles policy, unless they are prescription. Your child will also need a swim suit, one piece for girls and trunks for boys, and a towel both clearly named to avoid loss.

Kind regards,

Mr E Kyndt

Vice Principal
